Dear Colleague:

Thank you for being a member of the Nurses' Health Study for over 34 years. Your continued participation and that of 120,000 other women are the bedrock of one of the most important studies of health and wellbeing. We are very proud of the work we have done together.

The attached **very brief** questionnaire asks for the most important information necessary for maintaining our records. We have made it as short as possible in the hope that you will take just a few minutes to complete the form. As always, your answers will be kept strictly confidential and used for medical statistical purposes only. Your prompt reply is helpful and greatly appreciated.

As an original member of the Nurses' Health Study you are an indispensable colleague in our research. Whether you are retired or still working and whether your health has been excellent or if you have been ill, your response is equally important. In short, **no matter what your circumstances, we want to hear from you!**

It is with our deepest gratitude that we thank you for the ongoing commitment and care that you have generously provided as we continue to learn more about women's health.

Best Regards,

Susan Hankinson, RN, Sc.D.

Do you have e-mail?

If you do, please print your e-mail address in the box so that we may send you occasional updates on the progress of the Nurses' Health Study.

Please print neatly and differentiate numbers and letters (e.g., 1 vs l or i, Ø vs O, 5 vs S)

We will not release your e-mail address to anyone!
